TEAM Conference

The aim of TEAM Conference is to provide an opportunity for researchers and engineers in the field of ships and marine structures in Asian Pacific region to exchange recent research results and new ideas and to promote discussions of problems in design and production techniques of ships and marine structures. For this purpose, different from other conferences and symposia, every participant is expected to give a talk in the TEAM Conference; however, this rule can be exempted for once.

Those who have already presented papers in previous TEAM Conferences or intends to present papers this time or in the future are welcome to attend the TEAM 2020/21 Conference. All participants can enjoy the friendly atmosphere and enthusiastically exchange technical ideas of ships and marine structures in the TEAM Conference.

TEAM 2020/21 ISTANBUL

The TEAM 2020/21 conference will be held in Istanbul, Turkey on 6-8 December, 2021. The welcome reception, conference banquet, technical/cultural tours and accompanying persons programs will be organized alongside the technical sessions by local organizing committee.

Registration Fee

The registration fee is 100USD for professional participants, free for students. The fee is exempted for retired senior and honorable members.

Participation in TEAM 2020/21 ISTANBUL

If you are interested in participating TEAM 2020/21 ISTANBUL, please follow the instructions on conference website. Abstracts must have maximum 3000 characters. The conference official language is English.

Topics

- Loads for Ships and Marine Structures
- Structural Response of Ships and Marine Structures
- Structural Design of Ships and Marine Structures
- CAD/CAM/CIM in Shipbuilding
- Production Techniques of Ships and Marine Structures
- Noise and Vibration Problems
- Offshore Structures Problems
- Marine Corrosion
- Marine and Offshore Renewable Energies
- Ocean Resources
- Others

Deadlines

Abstract Submission: 31 August 2021

Acceptance of Abstract: 15 September 2021

Preliminary Program: 15 November 2021

Final Submission of Papers: 15 October 2021

Acceptance of Full Papers: 31 October 2021

Registration: 15 November 2021

-
Dear Colleagues,

It is our great honor and pleasure to invite you to the 34th Asian-Pacific Technical Exchange and Advisory Meetings on Marine Structures (TEAM 2020/21) to be held on-line from December 6th to 8th, 2021 at Istanbul Technical University, Turkey.

The aim of the TEAM conferences is to provide an opportunity for researchers and engineers in the field of ships and marine structures in Asian-Pacific region to exchange recent research results and new ideas and to promote discussions of problems in design and production techniques of ships and marine structures. TEAM 2020/21 will continue to inherit this aim.

TEAM 2020/21 is the 34th conference since its first meeting in 1987. Globally renowned speakers as well as many professionals and experts from around the world will be invited to TEAM 2020/21.
